

REQUEST FOR PROPOSALS
FOR GREENHOUSE GAS REDUCTION FUND PROGRAM DESIGN
November 15, 2024

I. BACKGROUND INFORMATION.

The Greenhouse Gas Reduction Fund (“GGRF”), part of the 2022 Inflation Reduction Act, is a \$27 billion investment administered by the U.S. Environmental Protection Agency (EPA) with the goal of mobilizing private capital to finance greenhouse gas- and air pollution-reducing projects in communities across the country. Together, the Greenhouse Gas Reduction Fund’s National Clean Investment Fund (“NCIF”), Clean Communities Investment Accelerator (“CCIA”), and Solar for All (“SFA”) programs will finance clean technology deployment nationally, finance clean technology deployment in low-income and disadvantaged communities, while simultaneously building the capacity of community lenders that serve those communities, and spur adoption of clean distributed solar energy that lowers energy bills for millions of Americans in low-income and disadvantaged communities.

The Solar and Energy Loan Fund of St. Lucie County, Inc. (“SELF”) is responsible for deploying over \$200,000,000 from all three GGRF programs, most notably as the prime awardee of Florida’s \$156,200,000 Solar for All award, but also as an NCIF Subawardee and a grant recipient of CCIA funds.

RFP Response Conditions

SELF anticipates that fees for this engagement will be paid by our award and will be in compliance with any terms of such award. We are procuring services in adherence with the requirements set forth in 2 CFR § 200.317 et seq. and EPA’s Best Practice Guide for Procuring Services, Supplies, and Equipment.

The issuance of this RFP does not imply that SELF is making an offer to conduct, expand, or terminate business with any Proposer. Your preparation and submission of a response does not commit SELF to award the business to any Proposer even if all the requirements are met.

Solar and Energy Loan Fund (SELF) may suspend Contractor's operations under the contract immediately by providing written notice of any default. Suspension shall continue until the default is remedied to SELF's reasonable satisfaction; *provided, however,* that, if after thirty (30) days from such a suspension notice Contractor remains in default, SELF may terminate Contractor's rights under the contract. All of Contractor's obligations to SELF shall survive termination of Contractor's rights under the contract, until such obligations have been fulfilled.

DEFAULT

Each of the following events shall constitute default of the contract by Contractor:

- a. Contractor fails to perform or comply with any of the terms or conditions of the contract;
- b. Contractor breaches any covenant, representation or warranty provided herein;
or
- c. Contractor enters into proceedings relating to bankruptcy, whether voluntary or involuntary.

TERMINATION FOR CONVENIENCE

SELF may for convenience terminate the contract, subject to the following:

- a. Termination for convenience must be determined to be in the best interest of SELF (in SELF's sole and absolute discretion); and
- b. Contractor must be provided with thirty (30) days' written notice of the termination for convenience, unless SELF has made a written determination that a shorter notice period is in the best interest of SELF (in SELF's sole and absolute discretion).

The termination for convenience shall not relieve SELF from payment for goods and/or services already ordered and rendered as of the effective date of such notice.

Contractor shall provide all documentation to support any outstanding expenditures through the effective date of the notice of termination. SELF may request additional documentation to support final payment. Unless otherwise specified above, SELF shall not have any further obligation or liability to Contractor.

TERMINATION FOR LACK OF FUNDING

SELF may terminate a contract if funds are not appropriated to SELF or are otherwise not legally available for the purpose of making payments, without incurring any obligation for payment after the date of termination, regardless of the terms of the contract. SELF shall provide Contractor with thirty (30) calendar days written notice of termination, unless SELF has made a written determination that a shorter notice period is required.
